*RE: MB Docket 10-56*

Dear Chairman Genachowski,

I would like to provide my input as you consider the NBC-Universal joint venture proposed by Comcast and GE. As a Comcast employee since 1996, I feel that I have always been treated fairly and generously by Comcast. I have an excellent benefits plan and the company has provided me with training and opportunities to advance. My pay has increased significantly over the years and I feel that I am very fortunate to be employed by Comcast.

I sincerely believe that when Comcast acquires Universal it will provide even more opportunities to their employees as well.

I urge you to support this joint venture.

Sincerely

Jane Francisco
